XXXIst “RENCONTRES DE LA PIERRE”

- Junas Stonemason Festival -

2018, June 30 & July 1

“Les Carrières du bon temps” (Junas old stone quarries)

JUNAS 30250, France

Welcome to the upcoming 31st “Rencontres de la Pierre”!

Since 2013, the association “*Des Hommes et des Cailloux*” has organised the “*Rencontres de la Pierre*” around an ambitious project: “The Leaf”.

During past “*Rencontres de la Pierre*”, we digitized a scaled plaster model of “The Leaf”. From then, we obtained the first panes. Scaled models of the Leaf veins were made and the mosaicists did their first trials to obtain coloured mosaic leaves.

For this sixth year, we will pursue the secondary leaf networks. The mosaicists will continue placing the mosaic tiles on them. Given the size of “The Leaf” – 3 meters by 6 meters - the work will take several years. We do rely on everyone’s participation in this new and exciting project!

Four workshops are planned in the quarries from June 25th to June 29th (limited number of participants):

- **Stone cutting:** “*palm tree vault*” study, history, use cases, draw methods. Monday/Tuesday/Wednesday/Thursday mornings: dedicated to theory. Afternoons plus Friday all day: dedicated to “*the Leaf*” stone cutting. From 06/25 9:00am to 06/29, led by Guillaume Boisanfray and Régis Deltour, stone cutters.
- **Mosaic for amateurs / beginners:** initiation, mosaic creation: your own project or from a model. Participants will bring their work home. Open to participants who are familiar with the marteline utilization. From 06/26 to 06/29, led by Aurore Laty and Emma Simon, professional mosaicists.
- **Mosaic for professionals:** “placing mosaic tiles on the leaf networks” and preparation of a prize for the week-end draw. From 06/26 to 06/29, led by Aurore Laty and Emma Simon, professional mosaicists.
- **Stone wall restoration:** introductory workshop on how to build/restore a dry stone wall, led by Camille Callerot, stone cutter and Christian Grillo, stone mason, on the theme “old quarry garden wall restoration” the 06/28 and 06/29. Open to all.
