XXXV “RENCONTRES DE LA PIERRE”

- *Junas Stonemason Festival* -
2022, August 27 & 28

Workshops from August 22 to August 26
“*Les Carrières du bon temps*” (Junas old stone quarries)
JUNAS 30250, France

Welcome to the upcoming 35TH “Rencontres de la Pierre”!

Since 2013, the association “*Des Hommes et des Cailloux*” has organised the “*Rencontres de la Pierre*” around an ambitious project: “The Leaf”.

During past “*Rencontres de la Pierre*”, we digitized a scaled plaster model of “The Leaf”. From then, we obtained the first panes. Scaled models of the Leaf veins were made and the mosaicists did their first trials to obtain coloured mosaic leaves.

For this tenth year, we will pursue the secondary leaf networks. The mosaicists will continue placing the mosaic tiles on them. Given the size of “The Leaf” – 3 meters by 6 meters by 10 meters - the work will take several years. We do rely on everyone’s participation in this new and exciting project!

Three workshops will take place in the quarries the week before the Stone Meetings, between August 22 and 26 (limited number of places):

- **Stone cutting:** “*the Leaf*” stereotomy and stone cutting for amateurs and professionals (motivated beginners accepted)
From Monday 22 August 9:00 a.m. to Friday 26, course led by Guillaume Boisanfray, Julien Debraux, Cyril Favière, stonemasons.
- **Mosaic:** Discovery of the ancestral technique of mosaic, size with a marteline. Free realization in natural materials (table top, mirror, etc.).
Course open to all, beginners and motivated amateurs.
From Wednesday August 24, 9 a.m. to Friday August 26, workshop led by Emma Simon, mosaicist.
- **Dry Stone Walling :** As part of the restoration of the walls of the quarry gardens, come and discover the basic gestures and techniques of dry stone construction. These

thousand-year-old reliable, economical, ecological and aesthetic construction techniques that blend into nature and respect it.

Course open to all, beginners and motivated amateurs.

From Tuesday August 23, 9 a.m. to Thursday August 25, course led by Camille Callerot, stonemason.
